

Online Customer Account (OCA)

Instructions for use -
company

1. Go to etoll.gov.pl

2. Log in and confirm your identity

3. Main menu:

- [Desktop tab](#)
- [Billing Accounts tab](#)
- [Vehicles tab](#)
- [OBE \(Devices\) tab](#)
- [History tab](#)
- [Documents tab](#)
- [Reports tab](#)
- [Register your ride tab](#)
- [Calculate route payment tab](#)
- [Notifications tab](#)
- [Tickets tab](#)

4. Main desktop

- [Information banner](#)
- [Favourites section](#)
- [Recently created users section](#)
- [Customers details](#)
- [Financing](#)
- [Financing notes](#)
- [Generate route report](#)

1. Go to etoll.gov.pl

Select Sign in to OCA from the top bar.

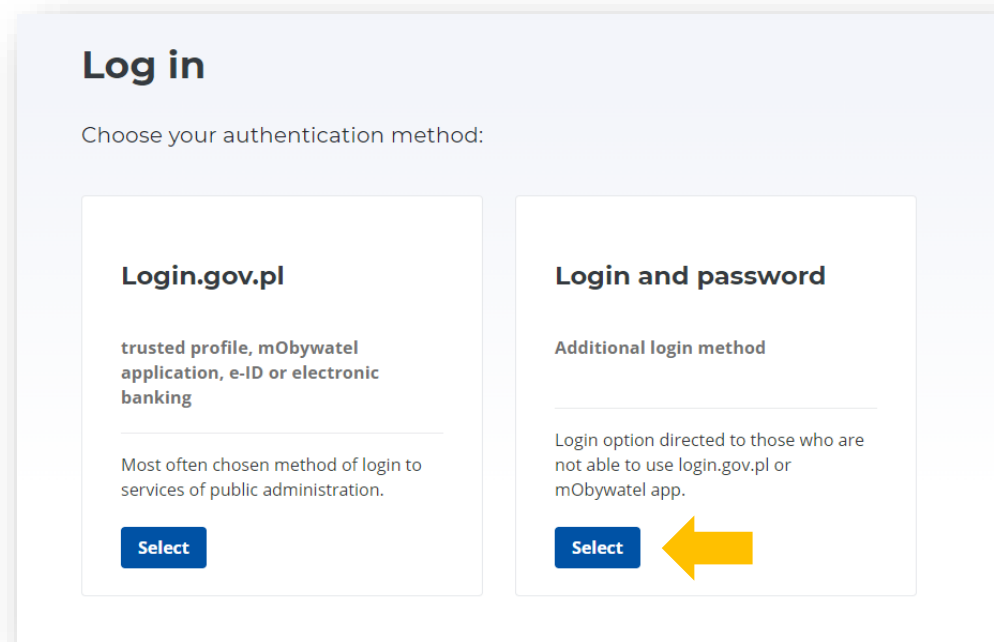

[Back to menu](#)

2. Log in and confirm your identity.

The dedicated login method for people from outside of Poland is:

- login and password

This option requires additional user authentication at a Customer Service Facility (MOK)

Log in

Choose your authentication method:

Login.gov.pl

trusted profile, mObywatel application, e-ID or electronic banking

Most often chosen method of login to services of public administration.

Select

Login and password

Additional login method

Login option directed to those who are not able to use login.gov.pl or mObywatel app.

Select

[Back to menu](#)

A list of parties will appear - select the account you want to use.

[Back to menu](#)

3. On the left side, you will find the main menu with tabs:

The screenshot displays a web dashboard for 'Testowa Sp. z o.o.' with Client ID: 41. On the left, a main menu is highlighted with a yellow border, listing options: Desktop, Billing accounts, Vehicles, OBE, History, Documents, Reports, Register your ride, Calculate route payment, Notifications, and Tickets. The main dashboard area features a welcome message, a 'Favourite' list (Create financing, Transaction report, Create billing account), 'Recently created users' (Jan Kowalski, Administrator), and a 'Generate route report' section with options: By vehicle registration number, By billing account number, and By financial note number. The dashboard also includes a 'Customer details' section with sub-tabs for Financing and Financing notes.

[Back to menu](#)

Billing accounts tab

- You can create a billing account [1]
- You can check the list of billing accounts assigned to the customer's account [2]
- **General information** - You can check your balance and, by clicking on the account of your choice, you can top it up [3]
- **Notes** : you can view the notes issued, settlement documents [4]
- **Contact**: you will update your address details required to receive billing documents [5]

The screenshot shows the 'Billing accounts' page for 'Testowa Sp. z o.o.' (Client ID: 41). The left sidebar contains navigation options: Desktop, Billing accounts (highlighted with a yellow arrow), Vehicles, OBE, History, Documents, Reports, Register your ride, Calculate route payment, Notifications, and Tickets.

The main content area is titled 'Billing accounts' and includes a 'List of parties > Billing accounts' breadcrumb. Below this are filter options for 'Financing type' (Set to 'Select') and 'Billing account status' (Set to 'Active'). A 'Show results' button and a 'Clear' link are present. A warning message states: 'Check that all vehicles have an active OBE. To assign OBE, go to vehicle details.'

Account status	Account name	Number	Financing type	Vehicles
No financing added	Jan1	6E	Create financing	Assign vehicles
Active [2]	Jan2	6E	Prepayment	1 (0)

At the bottom of the list, there is a 'Create billing account' button [1].

An overlay window titled 'Disable account' is shown for 'Jan2'. It indicates the account is 'Active | Number: 68'. It has tabs for 'General information' [3], 'Notes' [4], and 'Contact' [5]. The 'General information' tab shows a 'Balance: 20.00 PLN' with a 'Top up' button. Other details include 'Personalized name: Jan2', 'Financial account type: Prepayment', 'Bank account for the billing account: 921130 3403', 'Account created date: 29/02/2024', and a checkbox for 'I want to receive paper debit notes'. A 'Move vehicles' button is also visible.

[Back to menu](#)

Vehicles Tab

- Here you can find a list of vehicles assigned to your customer account **[1]**
- You can create a new vehicle **[2]**
- In the **Enabled OBE** column, you can check whether a location device is assigned to the vehicle **[3]**

[Back to menu](#)

OBE (devices) Tab

- In this tab you can find a list of the devices assigned to your customer account [1]
- You can create OBE (device) [2]
- After clicking on the selected device, you can assign it to a vehicle [3]
- In the **Actions** field, you can disconnect or deactivate the device [4]

The screenshot displays the 'OBE (devices) Tab' interface. On the left, a sidebar contains navigation items: Desktop, Billing accounts, Vehicles, **OBE** (highlighted with a yellow arrow), History, Documents, Reports, Register your ride, and Calculate route payment. The main content area is titled 'List of parties > OBE' and features a filter section with 'OBE status' (Set to 'Select'), 'Registration no.' (Set to 'Select or find'), and 'Business ID' (Set to 'Select or find'). A 'Show results' button is present. Below the filters is a table with columns 'Status' and 'Type'. The table contains one row: 'Assigned' [1] and 'Mobile application'. A 'Create OBE' button [2] is located below the table. A modal window titled 'Delete device' is open, showing details for 'OBE M00' with Business ID 'M00 0'. It includes sections for 'Assigned vehicles' and 'Detached vehicles'. The 'Assigned vehicles' table has columns: 'Registration no.', 'Billing account name', 'Billing account no.', 'OBE support type', and 'Actions'. The first row shows '2', 'Jan', and 'Main' support type. The 'Actions' column contains 'Disable' and 'Disconnect' [4]. A 'Create OBE' button is at the bottom left of the modal, and '10 Rows per page' is at the bottom right. A 'Back to menu' link is at the bottom right of the main content area.

History Tab

- Here you will find the history of changes to your account, with the option of selecting an event group or the event type [1]
- You can find information on financial transactions (e.g. top-ups to your billing account) [2]
- You can download a confirmation of the transaction [3]

The screenshot displays the 'History' tab for a user named 'Testowa Sp. z o.o.' (Client ID: 41). The sidebar on the left includes options like Desktop, Billing accounts, Vehicles, OBE, History (highlighted with a yellow arrow), Documents, Reports, and Register your ride. The main content area is titled 'History' and has two tabs: 'Revision history' (marked with [1]) and 'Transactions'. The 'Revision history' tab is active, showing filters for Date (From/To), Event group, Billing account status, and Billing account. Below the filters are 'Show results' and 'Clear' buttons. A second screenshot, partially overlapping the first, shows the 'Transactions' tab (marked with [2]). It features filters for Date, Transaction group, and Financing type, along with 'Show results' and 'Clear' buttons. A 'Download CSV file' button is also present. The transaction details for an 'Account top-up +50.00 PLN' on 08/03/2023 are shown, including a 'Download confirmation' link (marked with [3]) and transaction details like Transaction no. 10000 34427, Amount 50.00 PLN, and Payment channel Distribution network.

Reports Tab

You can find trip reports for:

- a vehicle registration number
- a billing account
- account balance

The screenshot displays the 'Reports' tab in a web application. On the left is a navigation menu for 'Testowa Sp. z o.o. Client ID: 41' with options like Desktop, Billing accounts, Vehicles, OBE, History, Documents, Reports (highlighted with a yellow arrow), Register your ride, Calculate route payment, Notifications, and Tickets. The main content area is titled 'Reports' and includes a breadcrumb 'List of parties > Reports'. It features two sections: 'Trip reports' with cards for 'Registration number', 'Billing account', and 'Financial note'; and 'Financial reports' with cards for 'Balance' and 'Balance specification'. Two inset windows show the detailed forms for these reports. The 'Balance' form includes fields for Date (DD.MM.YYYY), Billing account status (Active), and Billing account (Select or find), with 'Generate report' and 'Clear' buttons. The 'Balance specification' form includes Date (DD.MM.YYYY HH:MM), Report type (Billing account selected), and ID (Select or find), also with 'Generate report' and 'Clear' buttons. Both forms have empty tables below them with headers like 'Date and time', 'Customer ID', 'Billing account', 'Balance', and 'Actions'. A 'Back to menu' link is located at the bottom right of the interface.

Register your ride Tab

Notifications Tab

Here you will find information on notifications for the entire customer account.

The screenshot displays a web application interface for a customer account. On the left is a sidebar with navigation items: Desktop, Billing accounts, Vehicles, OBE, History, Documents, Reports, Register your ride, Calculate route payment, **Notifications** (highlighted with a yellow arrow), and Tickets. The main content area is titled 'Alerts' and includes a breadcrumb 'List of parties > Alerts'. Below the title are filter options for 'Category' (set to 'Vehicle') and 'Date*' (From: 01.03.2024, To: 13.03.2024). There are 'Show results' and 'Clear' buttons. A notification card is shown with the following details:

- Vehicle**
- Potwierdzenie dezaktywacji urządzenia pokładowego**
- 04.03.2024
- Potwierdzenie dezaktywacji urządzenia pokładowego**
- 04 March 2024
- message.notification-channel-type.Email
- Dzień dobry, informujemy, że urządzenie pokładowe o numerze M00-...5 przypisane do pojazdu RD... zostało dezaktywowane. Pozdrawiamy, Zespół e-TOLL (Wiadomość wygenerowana automatycznie, prosimy na nią nie odpowiadać)
- Hello, we would like to inform you that the onboard unit with the number M0...5 assigned to the vehicle RD... has been deactivated. Best regards, e-TOLL Team (Message automatically generated, please do not reply)

[Back to menu](#)

Tickets Tab

- You can create a request from the categories: financial, technical, settlement of viaTOLL, inconsistency or change data, general, complaints, no top-up on billing account
- Check the status of your application

The screenshot displays the 'Issues' tab in a web application. On the left, a sidebar menu includes options like Desktop, Billing accounts, Vehicles, OBE, History, Documents, Reports, Register your ride, Calculate route payment, Notifications, and Tickets (highlighted with a yellow arrow). The main content area shows a list of issues with columns for 'Issues', description, and date. A modal window titled 'Application form' is open, showing a 'Category*' dropdown menu with options: Financial, Technical, Settlement of viaTOLL, Data inconsistency or change data, and General. A text input field is present below the dropdown, and a 'Send issue' button is at the bottom. A yellow arrow points from the 'Show results' button in the main view to the modal. A 'Back to menu' link is located at the bottom right of the modal area.
